### Prayer @ All Times!

All dressed up or in your PJ's, no matter... If you are signed-on to one or more of BCC Prayer Ministry's e-mail teams, you're good to go! These teams offer the opportunity for new believers as well as seasoned intercessors to bring the grace and power of God to bear upon the needs of people near and far. No workshops to attend, no fees, no reason to say "No!" Simply pray for the needs expressed in the requests that come through. And get ready for spiritual growth as you witness God move in response to prayer! Indicate below what ministries you would like to pray for, give your e-mail information, and drop the form in the collection sac or foyer lock-box.
